FUTURE-PROOF YOUR INVESTMENT

When you choose an iStore Hybrid inverter, you're not just investing in solar power, you're embarking on a journey towards home electrification and self-sufficiency.

With simultaneous AC + DC power output capability, you'll be able to install & generate more solar power, ultimately saving you more money on your energy bills.

Key Benefits

- ✓ Battery-ready Hybrid inverter
- ✓ Double Hybrid Power, allowing 250% oversizing
- ✓ 10-year parts & labour warranty + Free 2-year warranty extension (parts only)
- ✓ AI-powered arc detection & prevention for superior safety
- ✓ Optional panel optimisation and panel-level monitoring
- ✓ Whisper quiet (under 30db)
- ✓ IP65 rated for indoor & outdoor installation
- ✓ Monitoring of solar + other iStore products from the one app
- ✓ 100% Australian-owned with local warranty & tech support
